PROFILE

Teacher, graphic artist, cognitive scientist... I've worn many hats in my professional life, and have picked up many seemingly contradictory strengths along the way. I'm analytical, yet creative; I'm a compassionate communicator, but I also love logic puzzles. As a software developer, I will get to use all these skills while learning new ones every day, and I can't imagine anything more fulfilling.

SKILLS

- JavaScript
- React
- HTML
- CSS
- SQL
- Bootstrap
- Git/Github
- Python
- Django

PROJECTS

THE ARTIST'S WAY APP - REACT *Front-end capstone at NSS*

App that allows users access to the tools recommended in *The Artists Way* by Julia Cameron. Built in **React** with **JSON server** for persistent data storage. Used **npm start-dates** for rendering current, weekly, and longest usage streaks. **Reactstrap** and **CSS** for styling.

EDUCATION

NASHVILLE SOFTWARE SCHOOL
HTMLS, CSS3, JavaScript, React, Python, Django

DEPAUL UNIVERSITY
BA in Psychology, Honor's Program
summa cum laude

MONTESSORI TRAINING CENTER OF BRENTWOOD
American Montessori Society
Early Childhood Education Certificate

LIPSCOMB UNIVERSITY
Teach for America Transitional Teaching License

TECHNICAL EXPERIENCE

NASHVILLE SOFTWARE SCHOOL
Full-Stack Software Developer (Jul 2027-Present)
Six-month intensive, full-time software development boot camp focusing on HTML, CSS, JavaScript, React and server-side fundamentals with Python and Django

- Developed single-page application with React with a focus on modern ES6+ JavaScript features and modular code
- Managed projects with issue tickets and GitHub Project
- Built entity relationship diagrams (ERDs) to define database relationships with an emphasis on maintaining a flat data structure
- Utilized vanilla JavaScript (ES6), and React.js to create single page dynamic web applications using full CRUD functionality
- Styled applications using CSS, Bootstrap, Reactstrap, and Material UI
- Completed 6 group project sprints while fully remote
- Comfortable with Slack, Zoom, GitHub Project, and wireframes for group communication and collaboration

PROFESSIONAL EXPERIENCE

GRAPHIC ARTIST
Illustrator, Photoshop, InDesign (May 2075-Present)

- Work locally and internationally designing logos, product packages, album covers, t-shirts, and custom pieces

ELEMENTARY SCHOOL EDUCATOR
Aug 2020-Jul 2027

- Created lessons and curricula adhering to the Montessori method for a home school pod grades K-3
- Provided social/emotional learning lessons to support healthy relationships with self and others throughout a pandemic school year

MONTESSORI GUIDE
Montessori Academy (May 2075-Aug 2020)

- Promoted from an assistant role to a co-lead teaching position
- Worked in close partnership with a co-teacher to plan instruction, re-direct behaviors, and build trusting relationships with students and families
- Communicated struggles and successes with compassion
- Led and organized the Sewing and Knitting Club

MIDDLE SCHOOL SCIENCE EDUCATOR
Teach For America (May 2073-May 2014)

- Selected from approximately 42,000 applicants nationwide to join a national teacher corps of recent college graduates who commit to teach in under-resourced public schools

BRAIN AND LANGUAGE LAB LEADER
DePaul University (Jan. 2077 - May 2013)

- Designed, and programmed a pilot study determining the hemisphere insight occurs in using E-Prime software
- Received a Undergraduate Research Apprentice Program grant in order to pursue research
